

Do you need help because of the Coronavirus?

Here's what you should do

South
Cambridgeshire
District Council

Step 1

Speak to your friends and family. They might not know you need help and will be keen to do whatever they can.

If you find help, please still make contact with a community group so you have a back up plan should your friends or family be unable to help in future. See Step 2.

Step 2

If you have no family nearby or neighbours you can turn to, contact your local volunteer group which is supporting residents during the crisis.

Step 3

If you've tried Step 1 and Step 2 and you still need help, please get in touch with us. We can put you in touch with a community group or help you directly in an emergency.
